Algerian Convicted of Murder of "Shakespeare" a Decade Ago Released as Result of Evidence Found by The World After Lapse of Many

eentence of George Frank, the another than the man who was con-Algerian, familiarly known as victed of her murder. life sentence at Sing Sing for the Mr. Damon said that he had a man

committed. He returned to the farm the next day, and then disappeared, leaving behind him his blood-stained clothing and a key to a hotel room.

The World within a year. "Frenchy" was convicted on circumstantial evidence. The new witness in the case had known the real culprit and had received from him the key of the room in which old Shakespeare was killed.

The pardon of "Frenchy" and his release from prison is the tesult of the efforts of The World in his behalf. Evidence came into the possession of the world last December that "Old Shakespeare" was smillar to a homeless unfortunate, had been seen was killed. He was arrested and "rail-roaded" to Sing Sing.
